

2024 Noto Earthquake Donation Account Opening

We are very concerned about the Noto Peninsula Earthquake on Jan.1, 2024.

Aftershocks are still occurring, and it is not possible to clearly grasp the damages.

We have confirmed the collapse of buildings, the damages to the equipment, and the outflow of sake at the sake breweries in Noto area.

The Ishikawa Sake Brewers Association is working to support its members who have been affected by the disaster.

We have opened an account for donations as follows.

We look forward to your warm support.
